THEATRE BURGLARIZED

45 TEACHERS IN ART WORKSHOP

More than 45 teachers from the La Mesa-Spring Valley School District concluded an Art Workshop held on April 2, 3, and 4 in the La Mesa Elementary School multipurpose room.

Dates Set For L.G. Schools' Rec. Program

Lemon Grove school district recreation program will be conducted five weeks here, during the same period as the summer school program. The dates are June 25 to July 27. Six schools will be utilized and informational slips will be carried home by each of the students it was agreed upon by trustees of the school board at the Monday night meeting.

The board also was faced with a traffic accident involving a bus driven by Wilbur Bauer. His loaded bus hit the rear of an auto in which Mr. and Mrs. Benjamin Sambol of Noble street were riding. The Sambols are asking for financial relief for "whiplash" injuries. No child was injured.

Byron Netzley, district superintendent told the board that the bus was going 20 m.p.h. and that the car ahead stopped suddenly to avert hitting a dog. The bus was not damaged, and a small amount of damage was done to the other car. The matter was referred to the district's insurance carrier.

Public Works, Road Dept. Ask Top Increases for '62-63

An increase of nearly $18 million was included in the tentative county budget for 1962-63 submitted Monday to the County Board of Supervisors.

Budget requests totalled $104,482,371. The budget for the fiscal year ending June 30 was $86,483,939. Experts guess the new budget will be halfway in-between or about $95 million.

The proposed budget, if adopted, would result in drastic tax increases on property. The tax rate for the coming year will depend on a combination of the amount of the final budget and the assessed valuation of the property to be taxed. A substantial tax increase is expected to result from the new budget, even after supervisors trim it down.

Public works and road department budget requested the largest increases. Public works asked for $16-plus millions, up more than five million from last year. County roads as $7.6 millions, up $1.1 millions from last year.

By county departments the increases were listed as follows:

	Increase asked
Reg. Voters	$ 258,483
Radio Maint.	127,800
Public Works	5,271,351
Retirement	292,121

Directors Named For L. G. Grow-Getters

Directors were elected last week by the L.G. Grow-Getters, a business group dedicated to encouraging business in the local community.

Jim Spears, Robert Vaught, Norman Flannery, Ruth Burris, Tony Sonka, Max Goodwin, Hank Templeton, Irv. Marder, C. Buckels, Harry Griffin and Claude Sarvis, were elected unanimously.

Griffin was named vice president and Claude Sarvis was made secretary - treasurer by Grow-Getter President Earl Warren. Warren was elected president at the meeting the week before.

Charles Victory, district vice president of the bank of America, one of the featured speakers spoke in glowing terms about the economic future of L.G. "There is certainly nothing wrong with L.G. as a community," he said. "As in so many other areas, advertising and merchandising can bring economic strength to your business community," he said.

Warren said the Grow Getters would promote L.G. as a modern shopping center but with old-fashioned hospitality. Clean streets, attractive stores and front door parking attract much of the patronage already, he pointed out.

R. Hadley, head of Hadley Advertising Agency, presented elements of a public relations program designed to get the community off to a traffic-producing start. Warren said that he would consider propositions of several advertising agencies before choosing one to be considered by the Grow-Getters.

Milt Hallen, president of S.D. Traffic Services, will discuss a community wide merchandising program at the meeting this week at Michael's. Meetings are held every Thursday at 8:30 a.m.

PAN-AMERICAN DAY SLATED AT MIGUEL

"Around The World In Eighty Minutes" has been selected as this year's theme for Pan-American Day program at Mt. Miguel high school on April 13 at 7:30 p.m. in the cafetorium. HOUSING DEVELOPMENT SLATED FOR L.G. AREA

SAN DIEGO (CNS)—A hearing on a special use permit for a "neighborhood housing development" in Lemon Grove is slated for Friday morning before the County Planning Commission.

The applicant is Lemon Grove West. Plans are for 38 two bedroom rental units on the northeast corner of the Waite drive-Violet street intersection.

The application states the project is to be under one ownership.

Voters Reject L.G. School Tax Issue

L. G. school district voters turned down a proposed 33c increase in taxes for operating Lemon Grove schools, Tuesday.

The vote was 1,489 for it and 1,705 against. A simple majority was needed to decide the issue either way.

The district is operating on an override tax approval which still has two years to run. The passage of the current request would have permitted the school board to raise the operating rate from $1.65 to 1.98 for the next three years. The passage would have raised about $90,000 a year.

Byron Netzley, school superintendent, said that cuts made last year in the school program would be continued as a result of the failure of the issue, plus whatever other cuts ordered by the trustees. Another election in the early future is planned by the district, Netzley said.

Netzley said he did not see the loss, the first one ever voted in the district, to be a refutation of the school's program. "A combination of things, general economy, unemployment worries and income taxes within a week contributed to the loss," he said.

By districts the votes was:

	for	against
VLM	256	250
San Miguel	241	396
San Altos	216	171
Monterey Hgts.	369	329
Palm	199	349
L.G. Jr.	208	219

'Get Tough' Policy Gets F.D. Nod

The L.G. Fire Department Commissioners Tuesday night ordered a "get tough" policy on local fire hazards. Dry grass and weeds grown thick and tall by recent rains helped bring the Commissioners of the district to the decision.

The L.G. Fire Dept. was ordered to issue citations to those whose property contains fire hazards. Burning of grass or rubbish may not be conducted without first obtaining a burning permit from the fire dept. The permits are free. Incinerators may not be used unless they have a spark arrester.

At the Tuesday meeting the Commissioners Tom Parsons and C. J. Heidick were elected chairman and secretary respectively.

G. or at the offfice of the Lemon Grove Review, 7834 Lester. Prospective candidates may call Jefferies at 46 9-6194 for information.

The DIMMER VIEW

We Are Not Satisfied, Mr. Kennedy

The Republican Congressional Committee issued a newsletter from Washington which takes a reading on President Kennedy based on his own campaign expressions. The Committee says that he used the expression "I am not satisfied. . ." about 350 times in his campaign talk.

After 15 months the Committee comes up with a list of things it is not satisfied with.

Says the Committee—

"We are not satisfied that nearly six per cent of the labor force is jobless and your economic policies seem to have hampered rather than helped.

"We are not satisfied that more than 17,000 small business firms went bankrupt during your first year in office. 10 per cent above the year before, and business failures so far this year are at the highest rate since 1939.

"We are not satisfied with your handling of the farm program which you labeled 'the no. 1. domestic issue' in 1960.

"We are not satisfied with your decision to skirt the American Bar Assn's recommendations and appoint federal judges on the basis party affiliation.

"We are not satisfied with your failure to make civil rights legislation your 'first order of business' as you promised in your campaign.

"We are not satisfied with your attempt to inject racism into your proposal to appoint a Negro to head the new Urban Affairs Dept. thereby using race rather than merit as a consideration.

"We are not satisfied with your program to reduce the budget by attempting to hold up 33,000 veterans loans until the end of the fiscal year.

"We are not satisfied with what seemed a grandstand

L. G. FIRE HYDRANTS GETTING NEW LOOK

The Lemon Grove Fire Department is doing its annual servicing of fire hydrants, according to Capt. Harry Alexander. He said a crew of two firemen with a pickup truck is doing the work.

They paint and check out about 20 fire hydrants daily. The men also are clearing weeds away from them. The annual servicing takes about 20 days and brightens the scene considerably by giving about 400 hydrants a shiny new look, Alexander said.

An appropriation of $23,000,000 immediately for aid to impacted school districts in order to avoid "short-changing" American children and prevent injury to heavily-burdened taxpayers in many hundreds of American communities, was asked of Congress by U. S. Senator Thomas H. Kuchel of California.

With a challenge to President Kennedy about changing the impacted-district financial aid law, the Assistant Senate Republican Leader called for the deficiency funds so the United States can make full payment of 1961-62 "entitlements" under the law extended at the last session of Congress over Administration objections.

Kuchel was a leader in the fight for continuance of the aid program, as well as in obtaining needed deficiency funds a year ago.

Dear Editor:

It is to our advantage as residents of S. V. and citizens of the U. S. to urge Congressional passage of President Kennedy's trade expansion bill.

We are a great trading nation. In order for our economy to grow we must increase exports. If we are to increase exports we need to open wider the doors of major markets in Europe and Japan. This can be done by efficient tariff negotiations.

The common market is running ahead of schedule in reducing tariffs between member nations. We too must move ahead by giving our government effective tools for negotiation as provided by the Trade Expansion Act of 1962.

C. J. Brown
4256 Gregory Ave., S.V.

Dear Editor:

As the Chairman for Initiative Petition on "Control of Subversive Activities" in her area, may I answer Rosarie Graham's letter and clarify a few points?

The Attorney General's summary is one paragraph, not one page as she said. On the petition being circulated the Amendment covers three pages —not six. When I presented it for her signature she didn't read the summary or any part of it. Instead she denounced the petition. She has some misconceptions about the Bill and she vowed she would fight the petition with every means at her disposal. Several petition workers at several locations (including banks) have recognized her as one of the persons who tries to discourage people from signing.

The PTA professes that they cannot take a stand for the petition because of their rules. Yet a Council President can work this hard AGAINST it?

Now I agree that everyone should read the amendment, familiarize themselves with its measures, and know who its Endorsers are. I respect her right to her own opinion. But I do not think people should be discouraged from signing or reading it. How does she know the people who "signed without reading" hadn't already read it? Everyone who signed mine knew what it was. Perhaps also, those people had more confidence in the integrity of the City Council, Board of Education, Mayors, City Attorney, County Counsel, American Legion, Kiwanis Club, and the rest of the long list of Endorsers than Rosarie Graham has.

Sincerely,
N. F. Kindred

Mexican Coeds Drop In On Mt. Miguel Classrooms

SENORITAS VISIT — Two visiting high school girls from Pueblo, Mex., toured Mt. Miguel on Mar. 25 and answered questions about Mexican school life. The picture was taken in the freshman classroom of Mrs. Claire Tremaine. Left to right are Mrs. Tremaine, Susan Adsit, a former Matador who introduced the visitors, and Rosemarie Feldman and Maria Eugenia Suarec of Pueblo, who said that in Mexico teachers, not students, change classrooms all day.

Mount Miguel high school was entertained by two visitors from Pueblo, Mexico, on Mon., March 25.

Through arrangements made by Edward Villarreal, Spanish instructor at Mt. Miguel, Rosemarie Feldman, 19, and Maria Eugenia Suarec, 18, attended classes at the Lemon Grove-Spring Valley School.

Answering student questions about Mexican schools, culture and ways of life, the girls revealed that in Mexican high schools, teachers, instead of students, move from class to class, while students stay in one room all day; one of the latest crazes in Pueblo is the "hoola hoop;" and tacos seem to be tops with the high school set.

When asked her impression of the Mt. Miguel campus, Rosemarie replied, "The students at this school are very friendly and they have much interest in our way of life. I like the teaching methods and the friendliness of the teachers. It is an extreme privilege to be a part of the campus for one day."

Upon their return to Mexico, the two girls plan to work in Mexico City as bi-lingual secretaries, since they both speak Spanish and English.

Of the visitors, Villarreal commented, "Rosemarie and Maria Eugenia are excellent people to work with, fine young Mexican students. I'm sure that their visit has increased student interest in and understanding of Mexico.

Let us walk honestly, . . . not in strife and envying. But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof" (Rom. 13:12-14).
